In Memoriam

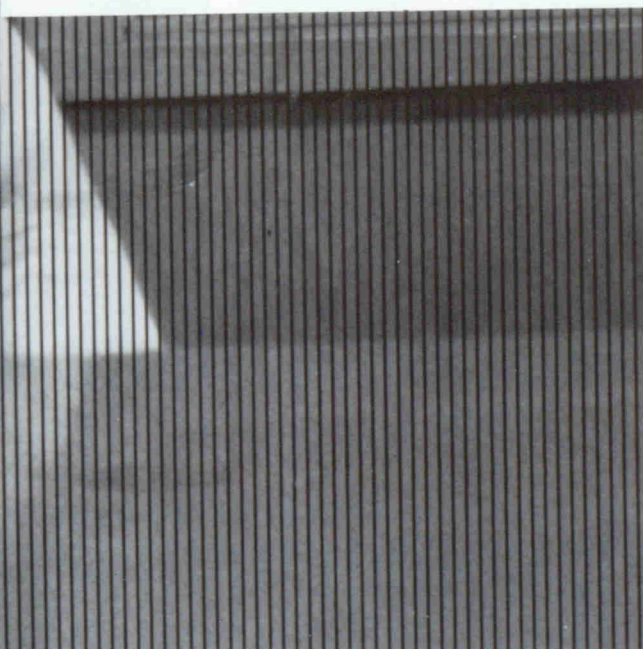

Now I think I know what He was trying to do
Now I think I know what He has brought you through
Now I think I see the picture of it all . . .

You traveled round the world, but today
you found your home
Standing now before Him, angels gathered round
There you are in white, a holy wedding gown
Radiant, the joy that streams now from your face
The Master says, "Well done — you've just won
that long, hard race."

Seniors Travel to Florida on Senior Trip

We, the Class of 1984, have reached our destiny of high school and have many good memories of our last four years. Memories such as special friends, weekend parties, and just being together is something we will always cherish. But the time has come for us to go our separate ways and face the real world. As we leave D.W.H.S., we would like to say "Thanks. It's been real!!!"

2. **What is your favorite food here?**
"Absolutely pizza."

"I have one sister which is enough I think."

As the World Turns

Band Places First in Organization Contest

The 1983-84 band year began with band camp in August and the local Fall Festival parades a few weeks later. The band then traveled to Shelbyville for a Non-Competitive Show Exhibition and received many compliments from other schools regarding the difficulty of the show design. The first contest, at the U of I, pitted the Eagles against a few bands almost 4 times as large. D-W finished 4th out of 8 and drum major Gary Lenz finished 3rd. At ISU the Eagles again faced much bigger bands but still came home with a 2nd place out of 4 and Gary Lenz captured the Drum Major trophy.

More emphasis was placed this year on the rest of the band year. The D-W Pep Band played for more girls' basketball games as well as guys basketball games. The students did quite well at solo and ensemble contest against some very severe judging and in fact ranked 10th statewide in class D, in solo and ensemble.

The highlight of the year was Organization Contest at Villa Grove, where the band played enthusiastically for 4 very critical judges. They captured a Superior, Division 1 rating, one of few given out that day!

High School Chorus Shows Talent

The Chorus had a great year this year. They received eight firsts, two seconds, two thirds, and one fourth at Solo and Ensemble Contest. They also received a "1st" rating at Organization Contest. They are really doing a good job. They have a lot of talent. Congratulations. Keep up the good work!

Council Members Accept Responsibilities

The student council achieved a lot this year. They started the year off with a very successful homecoming dance. Later in the year they also sponsored a Christmas dance and a soc-hop after one of the basketball games. These also went over very well.

As usual the student council sold pop to make money to sponsor these dances.

Yearbook Staff Sells Candy for Money- Making Project

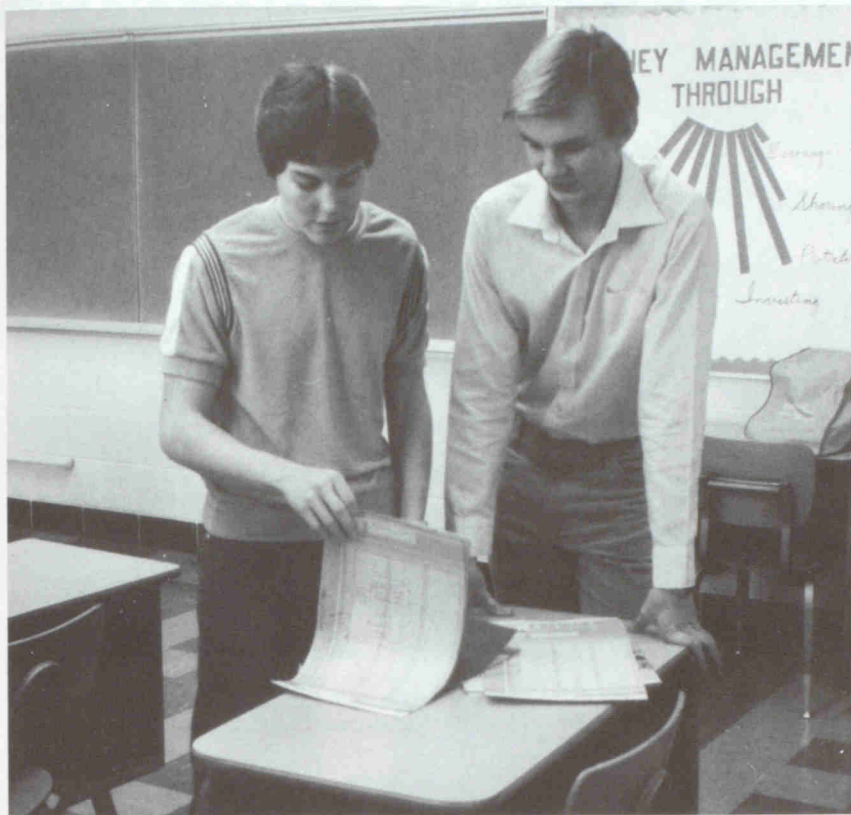

The yearbook staff worked very hard this year to make money. They sold candy bars and yearbook ads. It was a lot of work, but a lot of fun. It all paid off in the end because of all the memories we saved.
